## ABOUT US

Paras Overseas is an ISO 9001 & 14001 certified flagship company of the Paras Group. It was incorporated in the year 2014, as a professionally managed manufacturer with a mission to hold highest standard of excellence in metal industry across the globe. With our deep functional and expertise in metal industry, we proficiently cater to customers' requirements, spot opportunities, mitigate risks and accelerate growth.

Paras Overseas manufactures a comprehensive range of metal solutions for the Steel, Automobile and Power industry across the globe. Our success is grounded in the backward and forward integration of our manufacturing plants, to never stop in being more productive, innovative and sustainable in offering quality products at reasonable prices.

### OUR MISSION

To produce high-quality products using sustainable practices, while meeting the evolving needs of customers across various industries. We strive to foster innovation, optimize production processes, ensure customer satisfaction, and contribute positively to the environment and the communities it operates in.

### OUR VISION

To lead the industry with uncompromising quality, exceptional service, and a commitment to sustainable practices, shaping a brighter future for our customers and the world.
